ASSIGNMENT AND AGREEMENT

For value received, I, Amit Datta of East Greenwich in the County of Kent and the State of Rhode Island; do hereby sell, assign and transfer to Handy & Harman, a corporation of the State of New York and having an office at 555 Theodore Fremd Avenue, Rye New York 10580, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **BARRIER LAYER FOR ELECTRICAL CONNECTORS AND METHODS OF APPLYING THE LAYER** described in an application for Letters Patent of the United States executed by me and filed with the United States Patent and Trademark Office on December 11, 2001, as Application Number 10/015,500, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Handy & Harman the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Handy & Harman to make application for such protection in its own name and to maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Handy & Harman to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Handy & Harman in the United States and in all countries foreign to the United States, or to such nominees as Handy & Harman may designate.

I agree that, when requested, I shall, without charge to Handy & Harman but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
